Together

Together

we can build healthier
communities.

Introducing the highest quality of care for your clients.

At Oak Street Health, our providers go beyond the expected to give your clients an unmatched patient experience:

- Open panels
- Team to assist with in-network referrals
- Clinical team skilled at navigating formularies and formulary exceptions
- 24/7 patient support line

Your link to client support and retention.

Our in-house team is dedicated to helping your clients get the most from their coverage.

Patient Relations Manager (PRM)

- New plan onboarding
- Benefits education and navigation
- Help with signing up for Medicaid/LIS
- Billing support
- Assistance with plan issue escalation to agent of record

Team dedicated to supporting you and your clients

- One easy phone number to use no matter which center is closest to your client
- Service reps ensure that you are listed as Agent of Record
- Quick response times for your client when the line is busy and you leave an eligible voicemail* (usually under 30 minutes, at minimum within 1 business day)

*An eligible voicemail is defined as a voicemail in which the insurance agent's client shares, in their own voice, their full name, phone number, zip code, and a good time to be called back.

Let's work together.

Support the community with us

There are a variety of ways we can work together to support our communities.

- Medicare education
- Wellness calls
- Community events
- Basic amenities support for those who need it

The Regional Partnership Manager (RPM) is your key contact at Oak Street Health.
