

**Helping older
adults live
healthier lives.**

Healthcare shouldn't be one size fits all.

At Oak Street Health, we specialize in primary care for older adults that's designed to keep you healthy, not just treat you when you're sick.

Say goodbye to healthcare hassles and hello to a healthier you.

See how easy healthcare can be:

Same day/next day appointments*
and 24/7 patient support line

Easy access to specialists

Help understanding your Medicare
benefits

Locations in your neighborhood

*At most locations.

The background is a solid teal color. Overlaid on this background is a faint, stylized graphic of a hand with fingers spread, rendered in a lighter shade of teal. The hand is positioned in the upper left and center of the frame, with the fingers pointing towards the right.

Healthcare
designed
specially
for **you.**

Ready to switch? We make that easy, too.

Changing doctors doesn't have to be a pain. We'll take care of everything – from reaching out to your previous provider for copies of your medical records, to notifying your insurance company so they can update their files.

Meet with your PRM

Our Patient Relations Managers (PRM) can help you with your Medicare questions!

- Set up plan's extra benefits such as: vision, dental, and gym memberships
- Explore ways to save on Medicare and medication costs
- Learn about provider referrals
- Answer your insurance plan questions
- Navigate your medical bills

How to use your insurance card

- Take your Medicare or Medicare Advantage card to all doctors' appointments and pharmacies.
- If you also have Medicaid, always bring both of your cards to every appointment and pharmacy visit.

Did you know that many Oak Street Health centers now have pharmacies for all of your prescription drug needs?
