

As a service to the communities we serve, please take a moment to answer the health assessment below to better understand where you need support to ensure you stay happy, healthy and out of the hospital.

1. Does the hassle of transferring paperwork to new doctors overwhelm you? Yes No

2. Do you know all the benefits you qualify for based on your Medicare plan? Yes No

3. Have you had a hard time getting an appointment with your doctor? Do they have a long waitlist? Yes No

4. Do you have a hard time reaching your doctor over the phone when you have questions? Yes No

5. Do you have trouble finding a doctor you can trust right here in your neighborhood? Yes No

6. Would you like more time with your provider to ask questions and develop a health plan that's more personalized to your needs? Yes No

7. Do you wish that you had a doctor and care team to really listen and help you meet your health and fitness goals? Yes No
